

Can we find you if you dial 9-1-1

933 Mobile Dr. | [Click here for map](#) [1]

We hope you never need to rely on an emergency agency in the future, but if you do, emergency personnel may find it difficult to locate your home or business if your address is not posted correctly.

According to the city ordinance, approved numbers and addresses shall be provided for ALL new and existing buildings so that the number is plainly visible and legible from the street or roadway.

According to the 2003 International Fire Code, these numbers shall contrast with their background. Address numbers shall be Arabic numerals or alphabet letters. Numbers shall be a minimum of 4 inches (102 mm) high and a minimum stroke width of .5 inch (12.7mm).
